From der Netherlands. Very nostalgic am tunes just like us old farts remember, (except in a foreign language). But the music is true, and that am sound. Every time I've tuned in there's some old tune I remember. And a lot, never.

Get your AM groove on.

Yeah, that's a great lead! Thank you for that.

What I brought up on my laptop had a Dutch / English option, so I moved it over to English.

The song they were playing when I pulled it up was The Crystals' Da Doo Ron Ron.

Rusty, you're hardly ancient!

Okay, what's the trick to accessing the website in English? Do I need to download something to do it?

Right click Madison. S'matter, ya too old to know that? I'm just kidding ya. No I figure if you remember living in the 60's then that qualifies you as at least an old fart. But not ancient by any means. I'll be 70 in October.

Wished I could convince my back of that. Scoliosis takes it's toll over the decades.

Ha! I guess I am because I sure needed the help. I was looking at the site on my tablet at the time. I can see it just fine on my computer. What a great find, Rusty! Thanks for sharing.
