As a team he and Hal David created some of the most renowned pop music ever. I've always been partial to their song Message To Michael, whom Dionne Warwick made her own.

I downloaded "This Guy's in Love with You" when hearing news of his passing. It doesn't have very many lyrics, but I love the wistful feeling it gives.

For a long time, I assumed "Always Something There to Remind Me" was written by Naked Eyes.
