It's already getting too hot for me in DC, so I'm dreaming of a nice vacation by the beach. Sure, it'll be hot there, too, but the ocean makes all the difference. What are your plans for this summer?

We're going on a family cruise next month. I'm looking forward to the break from everyday monotony. This will be our first cruise, so we're very excited about it. I just hope we don't get seasick!

Mostly sticking around home and working. I'm also hoping to squeeze in a quick visit to my mom's house in Washington state around Labor Day if airfares aren't too crazy.
