Who do you wish would go on tour near you, so you could see the concert? Aerosmith is going on their farewell tour, but their stops are nowhere near me. I'm disappointed, but at least I've been to one of their concerts before. Who would you like to see?

I wish I had seen Genesis and Peter Gabriel decades ago. That was a big miss on my part. I've seen most of my other favorite bands, but Genesis and Gabriel are big time favorites of mine that I never saw live.

I'd like to see Richard Thompson again. The Brit troubadour rocker. Oh, and one more round of Nick Lowe too. Another Brit pub rocker.
