Wow! Hi Norris! So good to hear from you!

Have you asked David Miller at Speakerworks? If not, call him. 918-664-6299

Yes, I called him after I posted this. He said he knew of two different techs. But, they were very busy. And to call him back next week to possibly get help? So, I am still in search of.  
Wayne, is the Pi Speaker phone number a good one to contact you by?  
If not, please email me at my nwwdlw @ netzero.net address with contact information?

Yes, the Pi Speakers number is good. I've had that same number for 30 years or so. Wow, how time flies!
