Do you have favorite teams or players in this year's playoffs? I'm rooting for the Knicks, and I'm a Jalen Brunson fan.

On a side note, I'm also a Warriors fan (lived in California). Not a good year for them.

It was an off day for the Celtics, but they should win. Especially with the combination of home court advantage and Porzingis getting back in.

That was kind of anticlimactic. Congrats to the Celtics! Not a huge fan, but was still impressed by many on the team, including Coach Mazzulla.

I'm seeing the Klay Thompson rumors. Thompson wasn't at his best this season. Wonder what will come of the negotiations. Off topic, but wonder how much longer Curry will play.
