Thanks for visiting with me, Jason. I have always been impressed with your varied interests and your understanding of so many technical topics.

I have an idea: I think we should get together again, but next time, I should interview you for an episode of your Intellectual People Podcast. If you haven't already done this, let's plan a date to do so!

Thanks, Barry, it was fun.

You might recognize Jason 'cause he was at the Lone Star Audiofest in the late twenty-teens, maybe 2018 or 2019. I remember that he went to lunch at Rudy's with a few of us, but I can't remember if he went to dinner at Pappadeaux's or Babe's.

Good times, yeah?!! Hope to see you soon!
