RIP Charlie Kirk
Killed for having the nerve to be a conservative and actually SPEAK about his beliefs.

Yeah, man, that was nuts! He was so young too, and leaves a wife and two small children.

The death of the young man was devastated to me as a person. I love all his talks and his steadfast about his belief. My condolences are with the wife and children.

It's crazy that he had to die that way. I can't even understand the reason for such because he gave even opposing voices the platform to express their minds.

It's crazy asf. It pained me that he was a good man, trying to reach the nation on what's more to life than our imagination. I felt sorry for his family for losing a man of the people that way.
