The rap game has been here for a very long time and we've also witnessed some great musicians create some quality rap songs. The likes of 2pac Shakur, The Notorious B.I.G. and many more. When asked to choose which rapper has made you enjoy rap songs, who will you go for?

Picking a favourite rapper is not always difficult. I can't think of any rapper living or dead who's done what 2Pac did for rap. Can you name anyone better?
