Hi Wayne,

I'm planning to build a pair of 4 Pi Speakers, I already have the drivers (Eminence Omega 15 and B&C DE250) but I still need the horns.

Could you please send me the plans?

Thanks for your great work!

Greetings from Italy, Claudio

You've got mail!

By the way, be sure to look for a freight forwarder when it's time to get your waveguide/horns. It will make shipping charges a lot lower.
