I found a great place to go for replacement stylus, turntable & audio belts, idler wheels & pinch rollers.Russell Industries Inc. also known as PRB (Projector Recorder Belt Company)and Needle Express sells replacement stylus for most ceramic & magnetic cartridges, round, flat and square turntable & audio belts, idler wheels & pinch rollers. If the idler wheel or pinch roller is not available, they have a rebuilding service to rebuilt it back to new condition. See: www.prbline.com , www.russellind.com and www.needleexpress.com ..Their web site does not show all their stylus, but if you call them, they have most types in stock. Their phone number is 800-645-2202 or 516-536-5000 ..

Thank-you for the resource. I will have to check this out. It can be so difficult to find replacement parts.
