Hi David,Mark Margiotta and I were just discussing you. He has been corresponding with Peter Qvortrup fairly frequently. Mark and I got together and I listened to his new Audio Note amp and speakers. We were wanting to ask you some stuff right after the holidays, so I'll write to you in a day or two.Happy New Years!Wayne

I just looked up the listing - says Room 1508, but doesn't say which hotel. Doesn't matter - I'll find it! Missed it last year 'cause I didn't know Bill was involved. I'll not make that mistake again! Lookin' forward to hearing them
