Wayne just sent me an ART tee-shirt for fronting him a set of super sand diodes. For any of those of you who have not seen this thing, it's the mutha for ya. I'm gonna wear this baby to class (U of Hawaii), and posture magnificently while these poltroons grovel at my feet. Coeds will vie for my attention. Instructors will award me maximum GPA. Next thing I'm going to do is negotiate some more of these. Wayne? Wayne? Poinz

I like that shirt too. AudioRoundTable.com sends them for twenty-five bucks, which is also considered a contribution for ART, so people that send money get listed with the other contributors and sponsors. Every once in a while, you'll see a banner ad for the ART logo at the bottom of posts, click there to sign up. You can also do it at the contributions page at the link above.
