Due to communication breakdown between myself and the gals at UCF they rented our rooms to other folks. Anyhow, we do have a room secured now at the Best Value Inn at 13603 West Colonial Drive, Winter Garden, FL 34787. Please note this and let me know if you need directions. Any questions or comments please let me know in the next couple of days. If you haven't contacted me via e-mail about coming out for the fun, please do at marinephysicians@yahoo.com so I can update the list. Didn't mean to sound like Fred Flinstone, 'cause this is a little more serious. We'll be keeping our fingers crossed for you about hurricane Wilma. I've heard Naples is getting prepared, what about your area?

Actually, Wilma is my mom's name so WATCH OUT FLORIDA!!! Well according to the weather channels projected path, we are indeed gonna get some of Wilma here in Palm Bay. I am not all that confident in their predictions but we are ready to "hunker down" if necessary here just in case. Will see how things look in 24 hours from now. Then I will have good idea of what to expect I think. Noidster
