Ok folks, 'tis the day after. I wanted to send out ane-mail to everyone who was able to make it andpartcipate in the fun.There were several folks there that are not on my listhere so if you know them PLEASE have them send me ane-mail with their contact info. Also, if you won a door prize that was not there andneeds to be shipped to you, PLEASE send me an e-mailwith your shipping.receiving information so I can getthem out to you.Of course, having mentioned the door prizes, I have tosay THANKS SO MUCH to all the great vendors involvedthis time around. Your contributions to our day aregreatly appreciated by all and your continuingcontributions to the DIY community are indeed awesome.Now then, to the people who came out for theshow....bravo. We did have a little slow start but allin all I think we had a great day. I got to meet newpeople this time around and BS with a couple of theFlorida DIY regulars for a bit as well. All of theprojects that I saw and heard were excellent overall.Thanks again for coming out folks I am looking forwardto getting together with you again soon.As for the people who couldn't make it, my apologiesif my scheduling caused your absence, you were missedthis time around. I will be doing my regular FloridaDIY Gathering in February so maybe we can get everyonerounded up for that date (to be announced).Once again, there a few folks there that aren't on mye-mail list here and I need their info so if you knowit, or them, please contact me.Folks, please take the time to check out all of thevendors webpages listed
here...http://groups.yahoo.com/group/audioDIYflorida/database?method=reportRows&tbl=2 ...and be sure to contact them and thank them for thesupport and contributions.I/we will be getting some webpages/photo sets up soonand will get the links out to you for your viewingpleasure.Have a safe and great holiday season folks...see younext time around!!!Chuck

That's cool! Please let me know when you have the photos loaded, even if I cannot attend a show, I like to at least look at photos of the systems.

Still waiting on pics and info from others and once I get it all together I will post a link for the

webpage covering the event...in the meantime here are a few of the pics...http://photobucket.com/albums/y209/Noidster/DIY2005%20Orlando/Noidster
