Subject: Jensen G610 Posted by David Burch on Sun, 05 Mar 2006 19:54:21 GMT View Forum Message <> Reply to Message

I have a Jensen G610 speaker and the paper cone is separated at the center and all around the edge. It's just sitting there unconnected. Is it possible to have this speaker repaired, and if so are there any recommendations of shops in the San Francisco Bay area. Any advice is appreciated, Thanks, David
