That does look kinda intersting. Not very expensive either. I'll watch it and see where it goes, just for fun.Are you thinking of bidding on it? If so, let us know. Especially if you win!

I've never liked to use the word 'win' when talking about winning an auction. To me, to win something means you get it for free, not 'lets see who can pay the most money for this item' and thats the winner :p

Well, I see what you mean. But hey, it's Bill's birthday today, so he's the winner no matter what!!!
