Have you tried posting on the Altec Users Forum. He usually replies pretty quickly. Within a day is common.

Greetings!Posted on pg.2 of the linked thread, with corrected T/S specs in last post:Steve Burger  
Senior Hostboard Member posted April 29, 2005 02:25 AM 29, 2005 02:25 AM  
-----What's the big deal? The Iconic 704  
is an upgraded and improved 604k. End user price is \$715 each. I have a set of NOS 604k's in my  
Stonehenge boxes. I will be replacing them very soon with the Iconic's.
