The Lone Star Bottleheads' next meeting is June 11 at Jim's house in Richardson, Texas. This will be a great opportunity for the Houston, San Antonio, Austin, and Dallas area Bottleheads, the Dallas Audio Club, and the Tulsa Audio Club to all get together for the first time. Directions and a map at the link below. First timers are especially welcome at our meetings.

What time do you usually kick it off?

The meetings are officially from noon to five, but if you're coming from out of town and hit Dallas an hour early don't hesitate to come at that time. Likewise, some may leave as early as four, and at the last meeting some left after seven. It's all very informal.

Hi Wayne, Come on by at noon or so. Official closing time is 6:00 P.M. If Akhilesh can't make it, maybe someone can bring his Kenwood tuner for me to work on. Hope to see some friendly folks from Oklahoma represented. jim...
