Look at these INCREDIBLE single fullrange speakers being auctioned
in Japan. <http://page8.auctions.yahoo.co.jp/jp/auction/h12361238> Can anyone here read the
information at the site?

Yes, that makes them more expensive than even AER's! However, translating some of the page,
slowly pasting in sections into Alta Vista's BABEL FISH translator, was very enlightening. The
manufactuer will even custom tune them to your specifications. [thetubeguy1954](#)
