Dear Everyone,Dave Ellis is in initial stages of preparing a get together Oct 4 -6 in Chicago. Looks like the rental of rooms at a hotel/motel to beannounced later. Cost would be just the room, plus $10.00. Anyoneinterested for more information may contact dave at: dave@ellisaudio.comIf I have made any errors I am sure Dave will correct things.Take care.Steve

Hi Wayne, Just got a couple of emails from Dave, third party, and it looks like Dave and friends are now looking for a suitable hotel. Looks like this project could be a go. Some out here might let others know at other chat sites if possible. See if we can get the steamboat sailing, so to speak. Take care. Steve
