One suggestion: Pick a hotel that has primarily suites. Regular rooms aren't good for exhibitors. Any ideas for dates? Are you shooting for fall or winter?

I think they are looking at double suites at least as large as at CES. I think they are shooting for fall. Anyone interested can check out and post ideas at [www.chicagoaudiofest.com](http://www.chicagoaudiofest.com). I am sure any ideas are most welcome. Take care and thanks Wayne. Steve

You might go during the winter. hotels are going to be cheaper then. but that's only a suggestion.

Dear Trell, Good suggestion. You might want to contact the organizers at [www.chicagoaudiofest.com](http://www.chicagoaudiofest.com) and post it to the attention of Dave Ellis or Bill O'connell. Take care and thanks Trell. Steve
