If anyone would like to hear some arrays I'll be doing some demos this summer.

Rick, I assume that this is a road trip so you would cover several locations. As your schedule firms, it would be nice to get the word out to those who might be interested in attending but perhaps not necessarily host an event. I would encourage those interested to contact you for a visit close to their area. You'll be impressed.Jim

Yes, a road trip or trips. Right now it looks like Chicago, Michigan, NYC area, Mass., and Philadelphia.
