Directions: from the intersection of Memorial & 31st ST go east to the stop lite --turn north and take the next right onto 30th St (marker-Skelly grade school) I'm on the right side and am the first house facing 30th past the 2nd cul de sac---it's easy to find--918-697-7955 (PS the games will be on but muted)

Thanks to Jim Denton for hosting us. It was fun to hear his fostex 166s (168s) and the Lowthers and to compare different amps. Also great to hang with fellow hobbyists/professionals. One always learns a lot. -akhilesh
