Hi Charlie,How was RMAF? What was the best sound of the show? What things impressed you the most? Who was having the most fun?I really enjoyed MAF last year, so I'll bet you had a great time at RMAF. I enjoy all the good friends, music, food and fun. I like visiting with everyone the best, I think, but the collections of so much wonderful sound gear is what it's all about, naturally. There's lot of great stuff to see and hear, so it's a great place for people to audition products.I'm anxious to hear what fun things you have to tell!Wayne
