Jason, that's a great pair of Avantgarde Trios and basshorns you have there. Excellent! I can't believe you broke your back mountain biking. What a heck of a story. Anyway, welcome, glad you're here.

Well;he's got pretty good taste in music; although it would be nice to see a little more jazz in the mix. And it would not hurt to read a couple of Electratigs classical reviews; man that Shostakovich has become one of my fav's. Nice looking system.
