Hello Jon Violet,A little late, but I think the information you want is available here:<http://perso.wanadoo.fr/rififi/Goodmans/catalogue-1963-page07.jpg>The whole catalogue has been scanned in and can be viewed by changing the last portion of the URL from /catalogue-1963-page01.jpg to /catalogue-1963-page20.jpg depending on the page desired.I am also looking for a cabinet design for a pair of 301's but without A.R.U.Any suggestions?Martin
