Does Wayne Parham know to throw a party or what?! Thanks Wayne. It was a blast. I will post photos tomorrow on the Dallas Audio Club Yahoo Group and open the membership. Everyone is welcome to join, look at the photos, then in-join... or stay... jim...PS, It was a great show and I was able to enjoy every room in a slow and relaxed manner. What great sounding systems and in hotel room no less.

Would you look at the bad English? Never post a quick message after the long drive home and two glasses of wine! But thanks again to all for the great music, audio gear, conversation and new friends. jim...

I had a great time too, just loved it. Great seeing you, Jim! Now I have a bunch of new CDs to buy too, many of them your recommendations.
