Well, my GPAF attendance plans are screwed. I'm glad I hadn't booked a room yet. The band has a gig that Saturday, so I can't bring the gear and set up in a room for Sat and Sunday. I'm still planning on attending Sunday just to hear what's there. I may still throw the 250's in the van and bring them with me. Leland

Bummer, Wayne and I were hopeing you'd show up so we could kind of have a Bill Fitzmaurice room set up. I'll be doing a show Friday night but I won't be using my T-36's because I've I'm still in the middle of finishing 2 up.Bill W.
