hello,can anyone tell me about the audix room 15? I understand from an old employee worker that this is the internal name for their microphone development laboratory.but this room is not in their 6000 meter building in wilsonvile oregon usa which is already very big but i think maybe in another state, california or nevada or something like that??thank you very much

What does the former Audix employee say about this Room 15 other than it is a microphone development lab?
