If you're looking for a new HDTV, check out the Philips Outlet (see link.) On some of their bigger plasmas, they will usually post major discounts once a week or so.....C

Good catch! Thanks for the link. I saw a 50" plasma TV there for \$1700.00.

Like I said, check it a couple of times a week for even better pricing. There were several TVs at \$400 off the listed price last week. I'm thinking that 50" was one of them.....
