The domain for LoneStarAudiofest.com is setup and Luther has sent some files for it. Right now, I just have it pointed to the GPAF website but I'll upload the Wardsweb version by the weekend. The dates for LSAF will be the same as scheduled for GPAF since it's basically just a morph of the same show but we're still working on finding the right Embassy Suites in Dallas. We'll keep you posted here; Also, watch the LoneStarAudiofest.com website for updates.
