AudioRoundTable.com would like to welcome our newest sponsor, AudioKinesis. We're proud to include them here at the Round Table. AudioKinesis is the creation of Duke LeJeune, an extension of his passions turned into a business. Duke brings a wealth of experience as an audio manufacturer and dealer, so be sure to take advantage of the AudioKinesis forum. We at AudioRoundTable.com are very pleased to be affiliated with them.

Thank you, daemon! And thank you Wayne for making it possible for me to have my own forum here at the RoundTable. Since it's sort of like having my own soapbox, I'll be posting random rantings and ravings there from time to time, and invite any and all to drop in and fire off a few. To get things started over there, I've initiated a couple of threads that might be of interest. Diversion (or maybe just boredom) is but a click away... Duke
