Why not. There is also a very good tutorial on ESP audio's site. But yes; by all means. Can you illustrate on your pre-amp by any chance?

Hi John; how will you get it out of there?Sorry, couldn't resist.Whats taking your choke; did you do

Hammond?I'm still waiting for my trans. everyone will be beaming and showing off while I scramble to catch up here!That's a good site Colin, pretty much wire's the amp right up.
