For those of you on the Joe List, there is an occasional dealer named Joseph Levy. I just got some bits from him, and it went quite smoothly. Well packed and as described, to shorten the story. Just wanted to give credit to one of the good guys, aside from being a satisfied customer, no other affiliation exists between us. regards, Douglas

here is the Joe List home page. I think you have to fill out some forms to join. You get all sorts of cool stuff in the mail to sort through. Some lunatics too, I'm sure. <http://mailman.io.com/mailman/listinfo/soundregards>, Douglas

Seems like good stuff. He had some WBT RCA jacks at \$10/piece - not bad.....Colin
