Subject: WTB - JBL 2226J, 2123J pairs Posted by Jerrod Harden on Tue, 11 Jan 2005 00:31:17 GMT View Forum Message <> Reply to Message

I am looking for one pair of 2226J woofers and one pair of 2123J midrange drivers. I'm interested in speakers in very good to excellent condition. Please email if you have parts available. jerrod_harden@yahoo.comThanks, Jerrod
