Mesa Boogie Dual Caliber DC-5 Head and 2x12 cab for sale This is a DC-5 Head and 2x12 vertical Mesa cabinet with footswitch. Both have had very little use. It's a two channel 50 watt head with built in 5 band eq as well. Loud as hell and super versatile. Not quite as high gain as a Recto, but pretty darn close. Goto: <http://users.adelphia.net/~robroth/mesadc5.html> for pix The amp works beautifully and sounds great!! Make me a reasonable offer. I will ship anywhere but that is something we can discuss. email me @: zestystrat at hotmail dot com
