For sale are two (2) Decware SE84C-S amplifiers. I am the original owner of both. They are in excellent cosmetic and mechanical condition. Both have the original input & rectifier tubes. EACH amp will come with EXTRAS: two Sylvania rectifiers, two G.E. 6DJ8 input tubes, and a new pair of SV83 output tubes (the existing SV83's & a new pair). A shorting plug and magnet wire for mono blocking is also included. They will come in their original box/packaging material with an owner's manual. \$599.00 each. Serious buyers only. Thanks. I am also selling a pair of Reference 3A "Studio Monitors" that mated well with the decware amps. Original price was \$3600. I am selling them for \$1500. StanAnalogFunn@yahoo.com
