Hello,

My name is Chris, and I live in Charleston, WV. I am VERY interested in your AR LS9. I have a few questions for you: are you the original owner?; has the unit ever required service, and if so, where was the service performed? Could you please send some photos of the condition of the unit? And, where will the unit be shipping from? Oh, one other: do you have the remote?

If you have any questions for me, please feel free to ask.

I hope we can do some business!

Thank you very much, Chris
