I hate this place!!! Everytime they send me a new catalog I wish I had more money Gorgeous looking, and I'm sure sounding, analog rigs--amps---speakers, and of course LP selections. Worst of it is that I went to college not far from there and must have traveled through Salina 100's of times not knowing it was there!Dear Santa, I want to change my Xmas list to a new VPI TNT HR-X turntable with a nice Koetsu Bloodstone cart and maybe a Manley Steelhead preamp to control it with.
