I have some questions for canucks. Do you use beaver pelts or moose hides for damping material, eh? Is it cold in Canada this time of year, eh? Can you get around in winter with SUV's or do you use dog sleds, eh? Do you prefer Molsons, Labatt or Budfizz? Do you like putine in your fries? Last but not least, "Vous aimez un Pepsi avec votre Mae West monsieur?" . For real 'mericans, the last question was not a curse, just a health food question in Inuit.;-)Billy-Joe-Bob, but my real close friends call me tsi-guy.(To moderator, I believe that if you want to participate in a forum, you must insult everyone equally!!)
