For some old-school classics, how about some Louis Armstrong! For some newer music, would love to hear Two Gallants. Their album "What The Toll Tells" released last year is awesome!!!!

Do you have any of it that you could send me??in mp3 format, We pay for royalties, so we can play anything. There are different rules about how many songs from any one album that we can play and the limit is two.

You can probably contact Two Gallants' record label at www.saddle-creek.com, OR visit their MySpace page at <http://www.myspace.com/twogallants> or their artist website at www.twogallants.com. I know that the MySpace page streams a few of their songs. "Las Cruces Jail" and "Steady Rollin'" are both extremely popular.
