Anyone on the board manage to get to Austin, TX this year for the annual SXSW (South by Southwest) Music Festival. It was my 4th year in a row, and it was the best yet! I saw some great shows.

I was working in Austin this time last year and again now. But both times, I just missed it. I'm planning to make it next year.

I'm sure you'll have a great time, Wayne. The best part is that you can find out all about who's playing where ahead of time. Listen to music samples, etc. This way, you can plan out, as much as possible, which shows you want to see on which days. Also, get yourself on some mailing lists for Daytime parties. You'll end up hearing twice as much music, not to mention free food and party-time. If you remember, get in touch with me about a month before-hand and I'll send you some places to get added to mailing lists for those parties.
