I know, I was very sad as well when It finally got to the last show. I wanted to cry. The ending was some crap. I don't know if he was walking into the prison or if he was walking out, to face another situation. All I know is that I don't think that they should have had another season.

I've watched only the season 1 of Prison Break. Unfortunately, I failed to watch the last episode because I was out of town.
