I love 24, well last season I did. I was excited to watch this show every Monday but this season just like American Idol, I'm a so disappointed in it. It's boring to me, everything seems to move so slow and Jack is all over the place.

Best to talk about TV shows in the MoviesAndMusic forum.

I've watched the season 6 when Jack was released from Chinese custody to CTU agents in Los Angeles under a deal brokered by the new President Wayne Palmer. I enjoyed watching that season.

Thats the same season that is going now. I think it;s dry and boring and it is taking too long to get into really. Maybe it will change before the season.
