Hi guys... I just thought I'd stop by and see what's been going on. I had a really huge accident on wednesday and I've been in the hospital doped up with morphine for a while... twenty shots of it in my ass for the last three days... My dad left out a huge piece of broken glass in a box by the garbage, and as I was running by I kicked it with my leg... The glass cut open my leg down to the bone... It cut two of my muscles and one of my tendons clean in half. So I had to get major pain killers and surgery. So I'd like a nomination for the *ties week ever award. Adam

I'm very sorry to hear that, Adam. Godspeed through your healing time.
