Subject: Compression chamber remove or not Posted by Philipp on Mon, 04 Feb 2002 10:32:06 GMT View Forum Message <> Reply to Message

Dear Wayne, the details on Eminence HF crossovers that you sent me are highly appreciated will try the driver with the original chamber and a bigger damped chamber/ an open damped chamber and report back have had good results removing the backchamber from Motorola piezo units, so I am determined to try the Eminence HF too Thanks for the helpPhilipp Gussmann
