The collection of Pi pictures can be found at <http://dsb.8m.com/pipics/pipics.html> still have 10 more or so to include. Sorry about the pop-ups... it's a free site. Still send me any pictures if you haven't already. Danny

It's a good archive, but to be honest I don't think I would go to it very much... I had five friggin' pop up windows in less than 15 seconds. Damn ads... I wish they would lay off!!! Adam
