Hi Akhilesh, The Jim Rivers Room? How embarrassing! It was just one of two Dallas Audio Club rooms. There actually was gear from other Dallas Audio Club members in there. Thanks for your great review and all else you've done. Can't wait till another gathering. jim... OK, OK, I can't stand it. I have to pass along this bad joke that just popped into my head. Akhilish, do you consider the weakest link in your audio system to be your Akhilesh Tendon? 8:-) jim...

It's hard to really hear something at an audio show, hence the lack of details in most show reports. An extended review is smoething else entirely. -akhilesh
