The house will be open all day (and most of the night) for those who'd like to stop by. No need to bring anything. If you'd like to come early, we can go to the Parts Express Tent Sale (see link), which is located two exits from my house. As an added bonus, each visitor will (must) take home their Montovani album of choice.....C

Excellent, Steve, be sure and contact me when you get here and before to help plan for moving, if you need. I'll introduce you to the guys in the audio club, and show you all the other cool stuff 'round here not audio related.The best schools here are Union and Jenks, both of which are in South Tulsa. Some of the suburbs are good too, like Owasso and Broken Arrow. Owasso is North, Broken Arrow is Southeast. So those may or may not be good options depending on what part of town your job is.

Thanks Colin. As for the land, I don't think so. Now if you had 14 acres for sale in Eastern Oregon... I'd jump at that!
